

TEAM 101 - IFB299 MEETING

DISCOVER BRISBANE 05/09

05 SEPTEMBER 2017 / 3-6PM / ROOM GP-V503

ATTENDEES

Jhermilaine Buraga, Eelyn Lim, Benedict Yeang, Jasper Stewart-Lane

AGENDA

Last Meeting Follow-up

1. Check everyone's progress on Discover Brisbane Website
2. Update burndown charts
3. Benedict showed us his Dataflow diagram

New Business

- Create more mockups for html pages as we progress through website

NOTES

- N/A

ACTION ITEMS

1. As a group, create mockups of admin log in and other admin-related pages (create/modify/delete functions), as well as a category list page etc.
2. Based on tutor's feedback, fix Week 7's homework task.

NEXT WEEK'S AGENDA

Team continues to work on website, Jasper working on the database, Eelyn on admin-related pages whilst I work on the category list page. Checking with the tutor about our modified Week 7 tasks (justification/diagrams etc).
